

HIMALAYA PUBLIC SR. SEC. SCHOOL

HOLIDAY HOMEWORK

CLASS - FIFTH

"SUMMER VACATION IS THE PERIOD TO UTILIZE YOUR LEISURE TIME TO HONE YOUR SKILLS WHILE YOU ENJOY."

Summer vacation is synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, exploring new places and watching fun-filled shows on television. But there is a lot more you can do to make your vacation more interesting and meaningful. Keeping this in mind, we have designed interesting projects and assignments for children, to be completed during the holidays. This would encourage in-depth learning, strengthen concepts and prepare ground for improved academic output.

As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to their best ability. Your encouragement can actually make a huge difference. We would highly appreciate if you encourage children to do the work on their own.

"HAPPY HOLIDAYS"

SUGGESTIONS FOR PARENTS:

- "ONE HOUR DAILY" PROGRAMME.
Teach your children for one hour every day. Spend quality time with your wards.
- Inculcate good habits in them and enable them to become independent by assigning them responsibilities such as helping you in the household activities.
- Help them to imbibe feelings of empathy, affection and tolerance. Allow them to take care of their younger brother/sister and elders in the family.
- Encourage them to spend some time in reading school books/story books or newspaper.
- Converse with your wards in English.
- Help your children to improve their handwriting by making them write one page of English and one page of Hindi every day.
- Develop a habit of eating meals together without any gadgets i.e. mobiles, television, laptop or computer.
- Take your wards for outings and have fun together.

So, spend your vacation in an environment filled with fun, frolic and learning.

Have an enjoyable Summer Break!!!

See you all on _____.

CLASS - 5th

ART INTEGRATED PROJECT

Note:

Make the art Integrated projects in a file using A4 size sheets and submit it with your Name, Class and Section.
